

# BUSH HAMMER SERIES

Full Body Rustic Tiles

“  
Lấy ý tưởng từ nét đẹp hoang sơ của những viên đá bị bào mòn theo thời gian, chúng tôi cho ra đời dòng sản phẩm Bush Hammer. Mặc dù gọi là đá nhưng sản phẩm không mang sắc lạnh mà ngược lại nó đem đến không gian tươi trẻ, tinh tế cho không gian sống của bạn.  
”

*Inspired by the unspoiled beauty of stones that have worn away over time, we launched the Bush Hammer product line. Although called stone, the product does not bring cold colors, but on the contrary, it brings a fresh and delicate space to your living space.*
